#### Empathy Map Canvas:

The Gemini Historical Artifact Empathy Map focuses on understanding the needs, experiences, and motivations of historians, researchers, archivists, and space enthusiasts who interact with artifacts from the Gemini space program. These individuals are deeply committed to preserving and documenting important spacecraft components, mission records, photographs, and astronaut equipment that represent a crucial phase in space exploration history.

#### Example:

**Example:** Gemini historical artifact description

## Empathy Map Canvas

### Gemini Historical Artifact Empathy Map

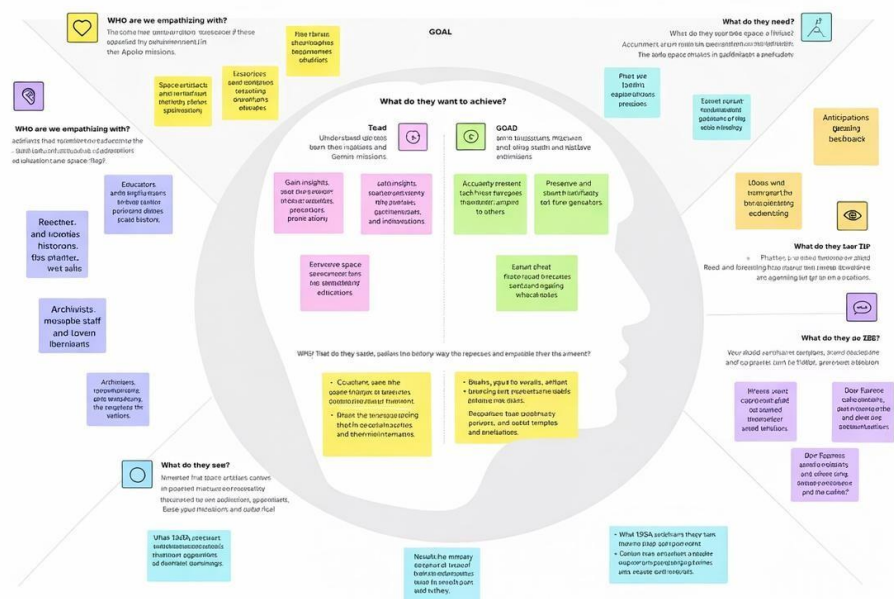

The Gemini program, (1965-1966) was critical in advancing NASA's spaceflight experience caprice incessant for the Apollo missions. A variety of historical artifacts and documents from this era serve as critical resources for researchers, historians, educators, and space enthusiasts eager to learn about this significant period in space exploration.

Names, dates, or other details

### Gemini Historical Artifact Empathy Map

The Gemini program (1965-1966) was critical in advancing NASA's capabilities in spaceflight and paving the way for the Apollo missions. Historical artifacts and documents from this era are invaluable resources that capture the essence of the Gemini missions, providing insights into early space exploration. This empathy map explores incises, feelings, thoughts, and behaviors of those who interact with these historical artifacts including researchers, historians, educators, and space enthusiasts. In the era
